

## **Excursion: Walk along the lake, followed by a visit to the Olympic museum**

This excursion consists of a 6km walk along the Lake of Geneva (there is a map on the back side of this leaflet). After the stroll, you are welcome to visit the Olympic museum (you should tell that you are from EPFL and show your conference badge). The Olympic museum has recently been re-opened after a thorough renovation and is certainly worth its while.

The Olympic museum closes at 6pm; after this, you still have ample time for an aperitif or a stopover at the hotel, before returning to the Ouchy harbor to meet the boat (7:30 pm).

Note that this is a “do-it-yourself” excursion, without guidance.
